Dear Hiring Team,

Thank you for considering my application and interest in my potential as a future member of your team. Despite my background in another industry, I have dedicated the past two years to developing a strong skill set in UI design and front-end development. With a passion for creating engaging interfaces and proficiency in HTML, CSS, and JavaScript, I am well-prepared for this role.

During this time, I have successfully completed several impactful projects, including:

- **Ride-share App for People with Disabilities** (Designed in Figma)
- **Weather App** (Designed in Figma)
- **Rental Search Desktop Application** (Designed in Figma)
- **Personal Portfolio Website** (Developed using HTML, CSS, and JavaScript)

These projects showcase my skills in creating user-friendly digital experiences. My seven years in fast-paced environments have honed teamwork, communication, and problem-solving skills. I am drawn to [Company's Name] for [specific reason related to the company or its projects], eager to contribute to your team.

I look forward to discussing how my background and enthusiasm can contribute to [Company's Name]'s success. Please find my portfolio at omarcarb.com for more details.

Sincerely,
